# UNDERSTANDING OUR PRICES

Setting **prices** for grooming services isn't easy. There are many factors that we must take into consideration before we can give you a final estimate. For example:

- WEIGHT
- BREED
- TYPE AND COAT CONDITION
- EXTRA CARE AND TIME SPENT
- SPECIAL NEEDS OR REQUESTS

PLEASE UNDERSTAND THAT THE PRICES LISTED ABOVE SERVES JUST AS A GUIDELINE

We have put a lot of time and effort into building great combinations of grooming packages and prices as well as a la carte services to fit all your pet's needs. Our groomer is the only one that will be able to give you an estimated price at drop-off. However, this price may change once your pup has begun the process due to things like matting, behavior, etc. The best way to understand grooming prices is to think of them as "based on time". We quote prices based on our knowledge of about how long it takes to groom each breed. If your dog has "exceptions" we may charge a bit more or a bit less. This flexibility allow us to provide the best services with amazing results without stressing your pup.

. Thank you for your understanding and looking forward to pamper your pet soon!
