IMPORTANT SAFETY INSTRUCTIONS

TO REDUCE RISK OF INJURY:

- Read and understand all warnings posted on the tool. Failure to comply with all of these warnings may cause serious injury.
- This tool is designed and intended for the cutting of rebar. Use for any other purpose may void warranty.
- Always wear ANSI Z87.1 approved safety glasses or face shield while using this tool.
- Keep hands and feet clear of the cutting area. Keep bystanders away.
- Cut pieces of rebar may exit the tool at high velocity, causing injury – use appropriate precautions.
