EQUINE MICROBIOME BREAKTHROUGHS

Join us for **Equine Microbiome Breakthroughs** on Thursday, October 3rd from 6:00-8:00 PM.

This event will feature local veterinarians discussing digestive diseases in horses and the equine microbiome, followed by Dr. Karen Davison presenting on Purina's new groundbreaking MQ platform. To wrap up, upper-level eventers, Daniela and Kaitlin Clasing, will share how they utilize Purina's products at their eventing training facility, Clasing Equestrian.

Purchase MQ Systemiq™ during our event and receive \$10 OFF your order. PLUS, you'll be entered into a raffle to win TWO FREE canisters.

SPEAKERS:

KAREN E. DAVISON, PH.D.

Director, Nutritionist, Equine Technical Solutions

SHAUNA SPURLOCK, DVM

Spurlock Equine Associates

DANIEL AND KAITLIN CLASING

Clasing Equestrian, clasingequestrian.com
