PLEASE READ BEFORE ORDERING-2025 POULTRY ORDER GUIDELINES

The minimum order of any breed of chick is 5 pullets (females) or 5 straight run (assorted sex). Fewer than 5 males can be ordered, but the hatchery will add a surcharge of \$1.50 per bird, per breed. The minimum to ship is 25 standard chicks. If your order is fewer than 25 chicks, we'll hold it until we can partner it with other orders to meet this shipping minimum. Layers and Broilers cannot be combined to meet minimums and different species of fowl cannot be combined to meet minimums. Please provide your preferred week of delivery on your order form, noting that some breeds aren't available until later in the season. We'll contact you as soon as we have a confirmed shipping date from the hatchery so that you can make arrangements for prompt pick up. This is vital for the health of your chicks since they are only 2-3 days old on arrival and have been in transit that entire time. If the hatchery experiences a failed hatch and is unable to ship chicks as scheduled, we'll contact you as soon as we're notified and provide you with the option to reschedule your order or receive a refund. We encourage you to order early due to anticipated high demand. Orders cannot be cancelled within 4 weeks of shipping. All chicks are hatched by Welp Hatchery and shipped the same day as hatching. Welp's guarantees pullets to be 90% accurate true to sex. If more than 10% cockerels, they will refund the price of the chick. Claims must be made within 8 weeks of hatch. In the production of Welp's Chicks, they have followed approved and recommended methods of flock control and egg selection and have operated according to established sanitary and disease control standards. However, they do not warrant these chicks to be free from any disease the existence of which cannot be reasonably ascertained at the time of sale. The Seller's liability for any reason whatsoever shall be limited to the amount paid for the goods or services claimed to be defective.

*******CHICKS MUST BE PICKED UP ON DELIVERY DATE BY 11:00 a.m.*******

LATE PICKUPS WILL BE CHARGED A MINIMUM OF \$5 for HANDLING & CARE.
