276
Ea.

Windsor Stone® Beveled
4" x 12" x 8". Ideal for larger tree rings, garden rings and curved wall projects. Cost-effective and low-maintenance solution for landscaping projects. Multiple colors available. WBN

863
Ea.

Anchor Diamond® Beveled Retaining Wall
6" x 17" x 12". For an attractive retaining wall with enduring performance, Anchor Diamond is the perfect choice. Walls can reach heights in excess of 30'. Multiple colors available. DBN

1292
Ea.

Anchor Highland Stone® Retaining Wall
This stone system can reach heights of 4 feet without reinforcement, and is a more reliable and economical alternative to more natural stone walls. We've added the jumper accessory unit. Use it throughout your project to create an even more unexpected, natural-looking effect. Rawhide and Storm. HL18RH

1229
Ea.

Anchor Highland Stone® Large Free Standing Wall
It's crafted with the same earthen colors and rough-hewn texture that make a top choice for retaining walls. Great for seating areas, borders and columns. The blocks are available in three different sizes, giving walls a more natural look. Storm and Rawhide. FSW18S
