Framing lumber markets were relatively quiet to start the week amid a growing list of factors that distracted most traders. Price adjustments were modest toward either side of last week’s reported levels. Structural panels were flat to up depending on availability.

Most buyers lacked a sense of urgency when considering replenishment in the near term.

Company Updates February 21st, 2025

- **East Hardwood Company:** We're thrilled to introduce not one, but TWO game-changing additions to our *Safrit's Fleet!*
